

**LEANN CLIFFORD**  
Executive Administrator

Leann comes from a farming background where her grandparents were grain and cattle producers in the Ogema area. More recently, Leann and her husband owned a farm in the Kayville area, where they were grain producers. Now residing in the City of Regina, Leann recently retired and found that working was a far better option. Leann is responsible for keeping the SCA office running smoothly and is the first point of contact for people getting in touch with the organization.
